Subject: Former Westinghouse Facility, Compton, CA - CBS' Request Modification of Deadlines - EPA R9's December 5, 2014 Approval

Hello Russ:

During our December 9, 2014 conference call you requested that certain deadlines in the subject EPA Approval be extended to January 16, 2015. I also understood that CBS is able to provide some of the information requested in the Approval by the deadlines specified in the Approval.

Please clarify the items in the Approval for which CBS needs a time extension to the established deadline; and the items in the Approval for which CBS do not need a time extension for the established deadline.

Once I receive your confirmation, I will reply to your request for an amendment of deadlines required in the Approval.

Thank you for your courtesies.

Sincerely,
Carmen
